

# Ryoko Araki

PhD candidate,  
Joint Doctoral Program at Department of Geography,  
San Diego State University & University of California, Santa Barbara

Email: [rarakis159@sdsu.edu](mailto:rarakis159@sdsu.edu)

Website: [rarakihydro.com](http://rarakihydro.com)

## Research Interests

---

Catchment hydrology, rainfall-runoff dynamics, ecohydrological dynamics, soil moisture

## Education

---

|              |                                   |   |
|--------------|-----------------------------------|---|
| 2021–Present | Ph.D. candidate                   | <b>University of California, Santa Barbara</b><br><b>&amp; San Diego State University</b> , Department of Geography<br>Committee: Dr. Hilary McMillan, Dr. Kelly Caylor, Dr. Trent Biggs, Dr. Naomi Christina Tague |
| 2021         | M.S., Watershed Science           | <b>San Diego State University</b> , Department of Geography<br>Committee: Dr. Hilary McMillan, Dr. Trent Biggs, Dr. Alicia Kinoshita  |
| 2019         | B.Eng., <i>with top 20% honor</i> | <b>Kyoto University</b> , Department of Civil and Earth Resources Engineering<br>Advisor: Dr. Takahiro Sayama   |

## Academic Appointments

---

|                              |                      |   |
|------------------------------|----------------------|---|
| 2021–Present                 | Teaching Associate   | San Diego State University  |
| 2024–Present                 | Senior Fellow        | Quad Fellowship   |
| 2023–2024                    | Fellow               | Quad Fellowship   |
| Summer 2023                  | Research Fellow      | NOAA National Water Center, Summer Institute [ <a href="#">report</a> ] |
| Winter 2022<br>& Summer 2021 | Laboratory Assistant | CW3E, Scripps Institution of Oceanography                               |
| 2019–2021                    | Graduate Assistant   | San Diego State University  |

## Publications (3 first-author, 8 co-author, 4 under-review papers)

---

### First-author

- [1] **Araki, R.**, Ogden, F. L., McMillan, H. K., "Testing soil moisture performance measures in the conceptual-functional equivalent to the wrf-hydro national water model," *The Journal of the American Water Resources Association*, 2025. ## Awards & Honors

---

|           |  |
|-----------|--|
| 2024-2025 | Shida Scholarship, Kyodai Collaborative  |
| 2024      | Graduate Student Travel Fund, San Diego State University   |
| 2024      | AGU Ecohydrology Tiny Grant  |
| 2024      | Graduate Student Association Travel Grant, University of California, Santa Barbara                               |
| 2023-2024 | Quad Fellowship  |
| 2019-2023 | Japan Student Service Organization Scholarship   |
| 2023      | McFarland Geography Scholarship, San Diego State University  |
| 2022      | AGU Water and Society, Tweet-Your-Research Award   |
| 2021      | General Scholarship, San Diego State University  |
| 2020      | AGU Hydrology & CUAHSI, Registration Fee Waiver  |
| 2020      | McFarland Geography Scholarship, San Diego State University  |
| 2020      | Master's Research Scholarship, San Diego State University  |
| 2020      | American Association of Japanese University Women Scholarship  |
| 2019      | Daishin Corporation Scholarship  |
| 2019      | Best presentation award, the Japan Society of Civil Engineers Kansai Chapter Scientific Conference, Osaka, Japan |
| 2017      | Yoshida Kishichiro Fellowship, Kyoto University  |
| 2017      | Gyomusuper Japan Dream Foundation Scholarship  |

## Teaching & Course Instruction

---

|                      |                      |   |
|----------------------|----------------------|---|
| Fall 2024, Fall 2025 | Instructor of record | GEOG375: Environmental Hydrology, San Diego State University<br>(class size: 30)                                    |
| Spring 2025          | Teaching Assistant   | GEOG578: Practical Hydrologic Modelling, San Diego State University   |
| Fall 2019–Present    | Teaching Assistant   | GEOG511: Hydrology and Global Environmental Change,<br>GEOG375: Environmental Hydrology, San Diego State University |
| Spring 2019          | Teaching Assistant   | U-ENG23: Hydraulics Laboratory Experiments, Kyoto University  |

## Training Certificates

|      |  |
|------|--|
| 2023 | Techniques of Teaching College Geography Courses, San Diego State University |
|------|--|

## Mentorship

---

|              |  |   |
|--------------|--|---|
| 2023         | Asuka Koga   | Davani Lab, Master student, Kyoto University  |
| 2021–2022    | Arian Banaee   | McMillan Lab, Undergraduate student, San Diego State University   |
| 2021–2022    | Pablo Bello  | McMillan Lab, Undergraduate student, San Diego State University   |
| 2021         | Aisha Tangi  | McMillan Lab, Undergraduate student, San Diego State University   |
| 2020         | Sarah Wozniak  | McMillan Lab, Undergraduate student, San Diego State University   |
| 2019–2020    | Amanda Albert  | McMillan Lab, Undergraduate student, San Diego State University   |
| 2019–Present | 5 students (2 in Engineering, 2 in Science, 1 in Agricultural Studies) | Writing support for Japanese undergraduate and Master's students in drafting Statement of Purpose through <a href="#">NPO EXPLANE</a> |
| 2018–2020    |  | Study abroad consultant, Kyoto University   |
| 2016–2019    |  | Residential assistant for international students, Kyoto University  |

## Professional Service

---

### University & Outreaching

|              |                            |   |
|--------------|----------------------------|---|
| 2019–Present | President                  | Blue Gold Graduates, San Diego State University     |
| 2023–2024    | Research & Funding Liaison | Department of Geography, San Diego State University |

### Conference

|      |          |  |
|------|----------|--|
| 2024 | Convener | Nanda, A., Singh, N., Bush, S.A., Sen, S., <b>Araki, R.</b> Runoff Generation Processes in Coupled Human and Natural Ecosystems from Plot to Continental Scales. The American Geographical Union Fall Meeting 2023 (H31V), Washington, DC, United States. December 2024.         |
| 2023 | Convener | Nanda, A., Singh, N., Bush, S.A., Sen, S., <b>Araki, R.</b> Runoff Generation Processes: Exploring Thresholds, Sources, and Pathways from Plot to Continental Scales. The American Geographical Union Fall Meeting 2023 (H117), San Francisco, CA, United States. December 2023. |

### Reviewer

- Water Resources Research (2021 @2, 2022 @2, 2023 @3, 2025 @1)
- Journal of Hydrology Regional Studies (2023 @1, 2024 @2, 2025 @1)
- Journal of American Society of Agricultural and Biological Engineers (2024 @1)
- AGU Fall meeting OSPA judge (2023, 2024)

### Memberships

---

American Geophysical Union, American Meteorological Society, Asian Americans and Pacific Islanders in Geosciences, Japan Society of Hydrology and Water Resources

### Invited Talks & Seminars

---

|      |  |
|------|--|
| 2023 | Hydrology Research Seminar, Kyoto University, Kyoto, Japan |
| 2021 | Alumni Talk, Kyoto University, Kyoto, Japan                |
| 2020 | Alumni Talk, Kyoto University, Online                      |
